## ANNUAL CONVENTION & LEADERSHIP CONFERENCE

### UNIT REGISTRATION PACKET INSTRUCTIONS

The Louisiana State Conference of the NAACP is making plans for another informational, motivational, empowering and entertaining annual convention. This year, we will convene on September 17-19, 2020 at the newly-renovated Marriott in Baton Rouge, Louisiana. Later that evening, we will meet again for the President's Welcome Reception. The State Conference will officially be called to order by the State President on Friday morning, September 18, 2020 at the Baton Rouge Marriott with the convening of the Louisiana State Conference Meeting followed by the Welcome and Prayer Breakfast.

**The 78<sup>th</sup> Annual Convention & Leadership Conference of the NAACP Louisiana State Conference** will offer a rich learning experience, bringing together delegates, members and friends from around Louisiana with numerous and concurrent sessions in the "game changers," e.g., economic sustainability, education, health, public safety, criminal justice, voting rights and political representation with "big picture" plenary meetings and dynamic speakers. Add practical solutions and best management practices and the stage is set for a high value return for all participants.
